

## **Admissions**

As an Ofsted registered Childminder I am restricted to the number and ages of children that I can care for at any one time. These details are on my Ofsted Registration Certificate, which is displayed during my minding hours.

I am registered to care for five children under the age of eight; one may be under the age of one and two may be under the age of five.

I am happy to take on any child within my registered numbers and will not discriminate against children or their families for reasons such as race, religion, sex or ability. I am willing to pick up and drop off to local play groups or schools (where commitments allow).

I am happy to take on children with special needs providing I feel I can provide them with the care they need. (For example I will not be able to provide one to one care or look after a child in a wheelchair, as my home is not suitable) If your child has additional needs please discuss them with me first as I would not want to raise your expectations.

All children will be welcomed into my home and I will encourage the other children in my care to support me with this. I will request a four-week settling in period on our contract, so if you, your child or I am not happy with the arrangement it can be terminated easily. When taking on additional children I must take into consideration the children already in my care who are happy and settled.

If you have any concerns regarding my admissions policy please do not hesitate to contact me.
